

Teen Track 2010

This year's dynamic and thought-provoking Teen Track will be lead by Bill Jack of Worldview Academy. Bill has been a frequent speaker at CHAP and this year he will bring a special program for the teens age 13 and up. **Bill Jack** is an educator with ten years' experience in secular schools and 14 years with The Caleb Campaign, a creationist youth ministry. Currently, Bill Jack is faculty advisor for Worldview Academy, an academic leadership program that seeks to train Christian students to think and live in accord with a Biblical worldview so that they will serve Christ and lead the culture. Bill has appeared on numerous national radio and television programs and is the producer of several apologetics and worldview training DVDs. Bill's passion is to raise up a generation who has the vision to reach their culture with the gospel, who have the valor to engage that culture with the truth and who rely on the virtue of the Word of God. Bill and his wife, Tabby, and their three children live in Colorado.

Teen Track Sessions

Friday 10:00 - 10:45

Bill Jack ***The Ways of the Wizards vs. The Way of the Wiseman***

Come join us as we take a walk on the "wise" side. You will learn how to distinguish between the ways of the wizards and the way of the wiseman. You will learn how to destroy secular arguments "raised up against the knowledge of God" and learn how to "take every thought captive to the obedience of Christ." (II Corinthians 10:5)

Friday 11:00 - 11:45

Bill Jack ***Creation vs. Evolution — What's the Big Deal?***

"Who cares whether it was 6 days or 6 million years!?!?!? Isn't this discussion unnecessarily divisive to the Christian community? Are we not losing credibility with the scientific community and hurting the cause of Christ among non-Christians by insisting on a literal interpretation of Genesis 1-3?" Learn to respond biblically to such charges so that "no one takes you captive through philosophy and empty deception." Old-earthers, progressive creationists and other Wizards come try and stump the wild-eyed, fanatical, six-day creationist.

Friday 2:00 - 2:45

Bill Jack ***The FAD of Christianity — Will it pass the test of time? (II Tim. 1:7)***

What is a FAD? Learn the three characteristics Christians must have if we want Christianity to be a FAD for the next generation. The Wizard's promises become the illusion of a fad, a passing fancy; The Wiseman's promise is the FAD that will bless the next generation.

Friday 3:00 - 3:45

Bill Jack ***Counterfeit Reality***

The biggest and most enduring Counterfeit Reality of all time is most cleverly foisted upon people through film. See how moviemakers convey a secular worldview to the public... in the blink of an eye! Keep in mind Colossians 2:8, and keep focused on Bill Jack's media examples and use of technological illusions. Otherwise, you may lose sight of True Reality.

Saturday, May 9

Saturday 9:00 - 9:45

Bill Jack ***Artificial Authority (Matthew 23)***

What can evangelical Christians, evolutionists and atheists have in common? The Pharisees wanted people to observe the law, but they forgot the purpose of the law and ended up honoring God with their lips but having hearts far away from Him. Learn how to recognize the masquerade of artificial authority when it parades in culture and even marches into church.

Saturday 10:00 - 10:45

Bill Jack ***The Biblical Basis for True Authority, Part 1 (Romans 13)***

What is a Christian to do when evil seems to be winning? What is the biblical response—especially when one is a student in secular a institution—when a person in position of authority begins to further evil and avenge good? How does one maintain respect for the position of authority without obeying evil commands? This is an intense two-hour seminar for youth and adults—homeschoolers and public school students—parents and teachers.

What is a Christian to do when evil seems to be winning? What is the biblical response—especially when one is a student in secular a institution—when a person in position of authority begins to further evil and avenge good? Saturday 3:00 - 3:45

Bill Jack ***Which Bias is the Best Bias to be Biased By? (II Corinthians 10:5)***

Come meet the most dangerous professor you will sit under in college. Everyone has a preference, a bias, when it comes to matters of style, cuisine or automobiles. However, when it comes to the big issues of life, such as, “Where did life originate?” our mental leaning, our bias, is often shaped by the current cultural thinking or a favorite professor. You wouldn’t trust just anyone to recommend a stock, car or even a pizza joint, so why accept the biased opinion of a teacher, politician or self-proclaimed expert when it comes to the big questions? Come discover the bias that infects much of academia when it comes to the question of origins, and, most importantly which bias is the best bias to be biased by.
